

## Worship at Christ Church

31<sup>st</sup> March 2021

To our Christ Church Family,

Over the next weeks and months as restrictions change we'll be exploring how best to worship together at Christ Church. Recognising that initially some of us might not be able to come into the church building, we're going to continue a blend of outdoor, in church and online worship from now until the summer.

The mixed pattern is more difficult so please keep us in prayer as we find our feet and see what's possible. Everything depends on our having enough helpers and of course as we've learnt in the last year – all plans may change!

With Covid complexities we won't be able to have Junior Church in the Hut or Little Fish until after the summer but we hope that the children will enjoy the outdoor services and family services below.

**8am Communion service** we hope that these can be most weeks except 3<sup>rd</sup> Sundays in the month, with no need to book. It will depend on clergy availability so please check your notice sheet.

**Easter Sunday 8am Communion in church.** No need to book.

**Easter Sunday 10.30am** our service will be in church (booking essential, details in notice sheet). With the option of joining from home either online or by phone using Webex. A recording will be emailed out and CDs made.

It'll all be in your notices & on the Website but after Easter the planned pattern is ...

**1<sup>st</sup> Sunday May 2nd 10.30am All weather Outdoor service** with parking space to stay in your car if you're shielding (or if it rains!). No need to book.

**2<sup>nd</sup> Sunday 10.30am service in church** (booking necessary), with the option of joining from home using Webex either online or by phone. A recording will be emailed out and CDs made.

**3<sup>rd</sup> Sunday 9.30am Family Service in church.** 45mins interactive in socially distanced family PODS. Booking necessary.  
**3<sup>rd</sup> Sunday 10.30am** online service joining from home only either online using Webex or by phone. A recording will be emailed out and CDs made.

**4<sup>th</sup> Sunday 10.30am service in church** (booking necessary), with the option of joining from home using Webex either online or by phone. A recording will be emailed out and CDs made.

**5<sup>th</sup> Sunday 10.30am service in church** (booking necessary), with the option of joining from home using Webex either online or by phone. A recording will be emailed out and CDs made.

**Wednesday 10.30am weekly Holy Communion.** No need to book, bring a small piece of bread & some juice.

Plus if the weather is kind we're hoping to have a Sunday picnic & games on the field in August.

We are having some technical challenges with sound when trialling livestreaming from church so possible apologies in advance! A massive thank you to our technical team and to everyone who's worked so hard – you have been amazing!

God bless and keep you
