

Outdoor Harvest Celebration

Sunday 3rd October 10.30am

Christ Church Car Park

Welcome to our 'all weather' **Outdoor Harvest Celebration** – we'll go ahead whatever the weather! The service is for all ages, on the Christ Church car park, about 45mins in length and very interactive.

We've arranged parking so that you can park & stay in your car to enjoy the service or bring a chair if you'd like to sit out – there's no need to book, just turn up.

Our theme will be ...Thanking God for His wonderful goodness

On the day please bring with you... a **pen** which you'll need in the service + **canned or packet foods** for the **Oaks Food Bank**. Our **financial Harvest Appeal this year is for Tearfund's 'Afghanistan Crisis Appeal'**. Please bring a donation to the service or give through their website. Tearfund say '*Due to the unstable nature of the situation, if our partners in Afghanistan are unable to continue their work then funding will be used in the surrounding region to support people who seek refuge there.*' <https://www.tearfund.org/campaigns/afghanistan-emergency-appeal>.

As you enter ... Please either complete a Test and Trace card or use the QR code offered with your phone (by coming you give consent for your details to be kept for 21 days).

You'll be guided where to park and sit. If you'd like to stay in your car during the service let the person welcoming you know as there'll be special 'good view' spaces available for you! Those standing/sitting outside please keep the 2m distance and do not share anything outside of your own family group/support bubble.

Children will be offered bubbles (adults too if you want them!). Those offering them will have used hand sanitiser or be wearing gloves. Please keep them until they're needed in the service.

During the service ... The song words will be emailed to you, please bring them. Singing outdoors is now allowed, please keep at least 2m from others (more if you can) and face away from them when singing. The Hut toilets will be open please use a tissue or paper towel when you touch any door or toilet handles. Munch on the snacks and drinks you've brought with you during the service if you feel peckish!

Masks aren't mandatory outside but if you're singing without a mask please keep a distance from others.

Collection ... Please drop your Tearfund offering in the buckets as you leave or give through the website.

As you leave ... please take everything with you and make sure adults & children keep the 2m distancing.

For safety ... If you or anyone you've been in contact with have shown any Covid symptoms please stay at home. Please check current government guidelines carefully. We've been very careful in our planning but we come at our own risk, so please keep yourself & others safe.

God bless and keep you

Sue x
